

How to affiliate your Club/Team/Players for the Delco Soccer League into EPYSA using the new Got Soccer program.

With Eastern PA Youth Soccer's (EPYSA) change over to Got Soccer for registration of teams and players you will need to take some steps to ensure that your Club and teams are affiliated with and entered in the proper Leagues. If you don't take these steps you will not be able to have your rosters and player passes approved and stamped the Delco Soccer League. Delco Soccer League player passes are not processed through the EPYSA office. Player passes are processed through the Delco Soccer League Registrar, Barb Budgick. The instructions on how to affiliate your Club and teams with Delco SL and/or PAGS are provided below:

NOTE: Please be patient with the EPYSA State office as this is a work in progress!
